My family.

My name is Maria. I am fifteen years old. I am a pupil.

I have a family: a father, a mother, and a brother. I love them a lot. My father is fifty three and he is an English teacher. He loves his job and he is really into teaching English.

My mother is forty six. She is a beautiful lady with huge green eyes. She is a landscape designer. My mom has clever fingers and she makes wonderful things at her work. She loves her job as well.

My brother is twenty and he is a musician. He is a conservatory student and he studies piano. He can write music and he is very keen on doing it. I like his music. I think he is going to be a great composer.

We like bowling. We enjoy it a lot and often go to bowling club. Sometimes, we think that it would be nice to have our own bowling at home. I have got a very nice family. We get on very well with each other.
